So far Dominion has erased our failed nuclear refunds by increasing rates instead of lowering them to equal the non-existent refund.

In 3 years Dominion has raised our rates 2 times and is asking for a 3rd despite the fact that they promised not to raise rates. They should be held accountable for not keeping their promises.

**FACTS:**

On Jan 2, 2019, Dominion purchased SCANNA (owners of SCE&G). In that purchase agreement PSC required a temporary freeze of SCE&G rates as an offset to all the money us citizens paid for the failed nuclear plant. An agreement was made for the consumers to get refunds for the failed nuclear plant
